

COVID-19 PIUTE HIGH SCHOOL PROTOCOL

- **Absence Protocol:** Students need to STAY HOME if they aren't feeling well. (Refer to the enclosed symptom checklist.) Parents MUST CONTACT THE SCHOOL any time their student is absent.
- **Mask Protocol:** Students, staff, and faculty are required to wear a mask when social distancing isn't possible.
- **Bus Protocol:** Everyone must wear a mask. Each student will sit in his/her assigned seat – one person per seat/siblings may sit together.

Each bus will have an assigned door for student pickup and drop-off.

- **Restroom Assignment Protocol:** Each grade will be assigned a specific restroom to be used throughout the day. We ask that your student ONLY USE his/her assigned restroom.
- **Class Transition Protocol:** Students will be required to wear masks when transitioning between classes.

- **Lunch Protocol:** Two lunch times will be used to limit the number of students in the lunchroom. Students will have assigned seating (siblings can sit together). Junior high students will eat first with senior high students following. Refer to the bell schedule for more details.
- **Classroom Protocol:** Seating charts will be used. If students are able to sit 6 feet apart, they will be allowed to remove masks. High-touched areas in classrooms will be cleaned continuously.
- **School Fee Protocol:** This year, sport pay-to-play, club fees, yearbook, and drivers ed fees can be paid on the school's online store or brought in to the school in person before the start of the school year.
